EDUCATION

2022 - 2025

MYSORE UNIVERSITY

- Bachelor of Computer Applications

PROFILE SUMMARY

I am a dedicated and versatile software developer with hands-on experience from two enriching internships. Over Two years with The Baap Company. Technologies, I have honed my skills in various technologies, including Flutter, Firebase, Node.js, HTML, CSS, JavaScript, CLanguage.

My solid grasp of version control systems such as Git, GitHub, and GitLab has been Instrumental in managing and collaborating on complex projects. During my internships, I contributed to several live projects, including Baap App, Baap Daily, Docuvault, Shift Management, ERP applications, and Event Management systems, particularly using Flutter I am passionate about developing innovative solutions and continuously expanding my technical knowledge. My goal is to leverage my skills and experience to contribute effectively to dynamic and forward thinking teams
